WINTER & SPRING

CITY OF LODI
DIVISION OF ARTS AND CULTURE, LODI PUBLIC LIBRARY AND PARKS AND RECREATION

JANUARY 1—APRIL 30, 2009

DEAR COMMUNITY CENTER AND PARKS & RECREATION PATRONS,

On behalf of the City of Lodi and the staff at Hutchins Street Square Community Center, it is our pleasure to once again be providing the residents of Lodi and the surrounding area our Winter 2009 Community Arts Directory. For those of you who are familiar with our programs you can see that our offerings continue to grow with each season. This directory represents arts, recreation and library programs designed and developed by Hutchins Street Square, Parks and Recreation and the Lodi Public Library.

As we move forward this year, you will start to see many changes that we feel will be of great benefit to the community. One of our first tasks is getting the directory online for easy access from home or work. This will allow many of our current and potential users more flexibility in finding offerings that may be of interest. In addition to the directory, through both Parks and Recreation and the Community Center, we will be launching web registration in time for Winter of 2009. This new service will allow for one-stop online access to all recreational programs produced or sponsored between the two departments.

We hope that as you peruse the directory we have provided something of interest for your recreational entertainment. But if, for some reason, we do not have what you are looking for, please feel free to contact us. We are always looking for new ideas to grow our program and we can think of no better way than to ask you, our patron, what you would like to see provided.

Once again, the staff of Hutchins Street Square and Parks and Recreation, wish you a prosperous Winter of 2009 and we look forward to seeing you at our programs.

Sincerely,

James M. Rodems

Director—Hutchins Street Square Community Center

Interim Director—City of Lodi Parks and Recreation Department

THEATRE ARTS

YOU'RE ON THE AIR-VOICE OVERS

Voice-overs are a hit today! You don't have to be an actor to get voice-over work, but it certainly doesn't hurt! With such a notable talent as James Earl Jones, Linda Hunt and Donald Sutherland lending their voices to commercial, films and videos, one would think that it would be next to impossible to break into this field. Not so! In this class you'll learn about an exciting new way to get around the competition and actually turn voice-overs into a thriving full or part time business! Dan Levine, a well-known commercial producer and Tony Award-nominated Broadway composer will discuss voice-over techniques in a recorded portion of the class. Lisa Foster, successful voice-over artist (Crest Toothpaste, Olay, LA Weightloss, Sleep Train and many, many more), will introduce students to the numerous opportunities, the income potential, and the all-important demo and how to have it produced. You'll step up to the microphone to do some practice recording, and best of all, hear the results!

Classes start promptly at 10:15am and we hope for 30-45 minutes of quality class time. You need not sign-up for these classes. Drop in as often as you can; of course you'll obtain the best results the more often you attend.

Those 0-3 yrs. are the general age group focus. But if you know of a 4 or 5 year old who may have had a bad experience in the water or has a special situation they're dealing with, by all means, BRING THEM! You're not bound into a long term obligation, so what the heck! It may be the beginning of a lifelong love of endless aquatic activities!

COST \$8 per class-covers baby and up to 3 participating adults or siblings.

There is a lifeguard and a trained instructor present at all times. Don't forget to bring a camera, fuzzy towel, baby diaper and smiles galore. It is an experience you'll not soon forget! **QUESTIONS?? 333-5510, 369-6921 OR 333-6800, EXT. 2042**
